Dear Parents and Guardians,

On March 1, 2023, Norwayne Local Schools will initiate a new electronic information system called Final Forms. This system will replace our need to copy and send home our yearly packet of paperwork for all of your children. You do not need to complete the information now but it will need to be done prior to the start of the next school year. However, parents enrolling their children in kindergarten should complete this by May 1, 2023.

If you did not receive an email to set up your account you can go to <https://norwayne-oh.finalforms.com/> and register for an account. Once you have an account you may begin to fill in the needed information and forms. Like any initial set-up, the first time will take the longest. Some of the forms may already be auto-filled for you since your information is in our current system. You will just need to verify the current information and add any additional information you wish to.

Once established this new process will streamline things for everyone. We appreciate your patience and understanding. Should you have any questions or difficulties please contact Ryan Wiles our technology coordinator at rwile@norwayne.net

Thank you,

Kevin Leatherman
